Attractive satin finish anodised aluminium posts have replaced curved end panels, so a single-sided 3x3 system only requires 3 graphics rather than 5. This makes the Vario quicker to assemble and also saves you money when you come to re-print your graphics. And, best of all, you can add a selection of accessories to the structure to individualise your stand, including product shelves, literature holders, lighting and even flat screen monitors.

The 1x3 and 2x3 are supplied with one PS1000 light.
The 3x3 and 4x3 are supplied with a pair of PS1000 lights.
